The Customer can add new Users to the Platform at any time by means of a separate user registration form. The form is available on the iTellco website (<https://helpdesk.itellco.ch/hc/en-us>). If the Customer wishes to withdraw any access and user rights they have issued, they should notify the Foundation of this in writing without delay ([helpdesk@itellco.ch](mailto:helpdesk@itellco.ch)).

This form «iTellco User Registration for Customers» together with any other completed registration forms and the iTellco terms and conditions of use are an integral part of the iTellco contract for use between the Foundation and the Customer.
