The Customer Representative can add new Users to the Platform at any time by means of a separate user registration form or using ECohub/IGB2B access. The form is available on the iTellco website (<https://helpdesk.itellco.ch/hc/en-us>). If the Customer Representative wishes to withdraw any access and user rights they have issued, they should notify Tellco pk of this in writing without delay (helpdesk@itellco.ch).

This form «iTellco User Registration for Customer Representatives» together with any other completed registration forms and the iTellco terms and conditions of use form an integral part of the iTellco contract for use between the Foundation and the Customer Representative.
